

One-Day Event Sponsorship Details

About Project Homeless Connect:

Project Homeless Connect (PHC) is a local nonprofit organization with a mission to empower those experiencing homelessness by meeting them where they are and walking with them on their unique journeys toward stability and self-reliance. PHC utilizes a multi-pronged approach with an outreach team, access center, shelter, housing programs, and one-day resource events.

Event Overview:

Three times a year, Project Homeless Connect Washington County hosts some of the largest collaborative resource events for individuals and families experiencing homelessness or housing instability in our community. These events provide comprehensive care in a one-stop-shop format, offering services such as dentistry, optometry, employment support, mental health and addiction recovery connections, haircuts, vaccinations, and clothing. Typically 50-60 different service providers and partner agencies are in attendance. Held in Hillsboro, Beaverton, and Tigard, these events are made possible through the generosity and dedication of numerous service providers, partner agencies, volunteers, and sponsors. Project Homeless Connect continually seeks to expand its partners to maximize impact.
